Soft Skills: Effective Communication, Problem Solving, Team Work, Socialising

PROJECTS

Employee Management System | *React.js, JavaScript (ES6+), Tailwind CSS, HTML5, Local Storage (Web Storage API)*

- 🔗 Deployed Link : <https://employee-system-mohit.netlify.app/>
- 🔗 Github Repo : <https://github.com/Restymohit/Employee-Managment-System>
- Built a role-based task management app in React.js with separate dashboards for Admins and Employees.
- Enabled Admins to manage tasks and Employees to track and update progress.
- Utilized browser local storage for data persistence, allowing seamless operation without a backend server.
- Designed a user-friendly, responsive interface with clean component structure using Tailwind CSS and HTML5.

Sliding Puzzle Game | *React.js, JavaScript, CSS3, HTML, LocalStorage*

- 🔗 Deployed Link : <https://slidding-puzzle-game.vercel.app/>
- 🔗 Github Repo : <https://github.com/Restymohit/Slidding-Puzzle-Game>
- Communicated project progress and technical decisions effectively through documentation and demonstrations.
- Managed project milestones and met deadlines independently, showcasing strong organizational skills.
- Ensured attention to detail in UI/UX, animation smoothness, and responsive gameplay.

Community Collaboration Platform | *React.js, JavaScript, Tailwind CSS, HTML5, Local Storage*

- 🔗 Deployed Link : <https://social-mv6s-git-main-dheerajs-projects-662fbfc6.vercel.app/>
- 🔗 Github Repo : <https://github.com/Dheerajmlk/Social>
- Consistently communicated project progress and challenges, ensuring transparency and timely updates.
- Adapted design and features based on evolving user needs and testing feedback to improve user engagement.
- Maintained strong organizational skills by structuring components and tasks for effective project management.
